38

Plants for near seat & rocky outcrop

80

Plants for around drain inlet

69

Plants near & in front of seat vista

City of Whittlesea - Darebin Ck reach 4  
(Greenhills Rd footbridge - McLeans Rd, Bundoora)

2023 Indigenous Planting as proposed by George Paras  
of TANGIBLE ECOLOGY (October 2022)

George@TangibleEcology.com.au  
M: 0419 430 997

Plant numbers shown in **BOLD** are considered the essential ones to start with.

Plant numbers not in BOLD are considered less-essential; plant if available.

Species with no numbers allocated: keep in mind, for establishment in subsequent years, as site conditions become suitable.
